YOU DREAM IT, WE'LL KIT IT!

WE CAN BRAND IT TOO

The Choice Is Yours

When it comes to cutlery, we provide you with multiple options at competitive price points without compromising the quality of our products.

You can select from colour, strength, weight, length, and material; wrapped or unwrapped; with all the options we can offer you, the choice really is yours.

Key Fact:

Plastic cutlery is sanitary. It reduces the chance for spreading contaminants compared to its metal counterpart, especially when wrapped.

Customized Kits

Select from endless options for the ultimate kit convenience. Customize with printed film, napkins or custom components - let us create your kit specifically for you. With unlimited customization options...You dream it, we'll kit it!

DISPOSABLE CUTLERY

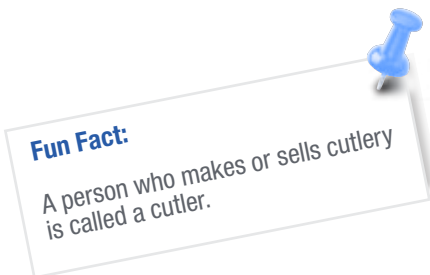

DURABLE, QUALITY, HYGIENIC

Eco-Friendly Cutlery

Eco-Products™ and Touch™ have several cutlery options to meet your eco-friendly choice, without sacrificing sustainability. With undeniable environmental benefits, the cutlery is also durable and has a high heat tolerance.

Looking for a specific colour?
Eco-Products™ offers custom pantone matching*.

Reflections™

Reflections™ patented cutlery is sure to impress any guest. Unlike aluminium-coated products, Reflections™ products are coated with stainless steel which offers the best combination of durability, appearance and food contact safety.

*Available on Plantware™ cutlery.

UNMATCHED IN WEIGHT, STRENGTH AND PERFORMANCE

Key Fact:

A 2012 foodservice study found that nearly 30% of the reusable foodservice items tested had higher than acceptable bacterial counts.
