Cutlerease™

Countertop cutlery
dispensing system for:

- Improved Hygiene
- Space Savings
- Efficient Dispensing
- Convenience
- Zero Waste Programs

Compostable Cutlery at your Fingertips

Clean, Hygienic Cutlery

Everyone deserves to eat their food with clean cutlery. Cutlerease innovative design dispenses clean cutlery one piece at a time.

Tape tabs offer easy pick up and loading of cutlery into cartridge without having to touch any part of the cutlery.

Handle-first delivery ensures guests touch only the handle of the cutlery they are taking.

No trays or levers; helps prevent accumulation and transfer of germs and bacteria.

Space Savings

Compact footprint: <math>< 1 \text{ ft}^2</math> for 3:1 space savings over the other guys.

Efficient Dispensing

Customers can take only what is needed.

Cutlerease design automatically dispenses one piece of cutlery at a time.

Guests simply pull on the handle of the piece they want, and the next piece pops out ready for the next person.

26.5"

12.5"

Cutlerease™

Convenient & Easy to Use

Customize your cutlery options. Cutlerease is so versatile, you can mix and match cutlery to meet the needs of your business. Need more spoons than forks? No problem.

Cartridges slide in and out easily for loading.

Red tab on the face indicates when cutlery is low and it's time to reload.

Priming trigger loads cutlery for dispensing with one touch.

Zero Waste Programs

Eco-Products Cutlerease cutlery is BPI certified compostable, so it's compatible with Zero Waste Systems.
