

WOODEN CUTLERY

Renewable & Compostable Wooden Cutlery is a natural choice for your renewable dinnerware selection. Enjoy both hot and cold foods in comfort and style, for everything from soup to salad. These utensils won't warp, disintegrate, or melt when used with piping hot dishes.

FSC® Certified

Forest Stewardship Council® certification ensures that our items come from responsibly managed forests that provide environmental, social, and economic benefits. This is a certified chain-of-custody process that traces the path from forest to final product.
